ACÚSTIC ORIGIN. The philosophy of this wine is based on the wisdom of the ancient vineyards of White Garnatxa, Pink Garnatxa, Macabeu and Pansal and the old tradition of winemaking from the ancient vine growers.

It is an acoustic wine, sensitive from the roots of these ancient vineyards. A wine that wants to express and claim the quality and singularity of the traditional viticulture against the globalization of the international varieties and modern winemaking style.

Come back to the traditional roots of the vineyards using the nowadays knowledge to express the environment of these wild vineyards among the majestic Montsant mountains.

Our vineyards grow in poor and stony soils with a combination of clay, sand and some "llicorella" soil.
